I think having an "elastic heart" means that your heart has been through a great amount of trauma and hurt throughout the years. Somehow you're still standing, still breathing, still living..so it that way it's almost a surprise that after everything that should've broke you down, it has not.

### *Elastic Heart by Sia - Songfacts*

Elastic hearts, you bend but you don't break you stretch, you give an inch, and then you take back what was mine before. Elastic hearts, you burn me up inside. You take me way too high just to shun me far away from the light. Well Is it too late to say that I wanted to stay until the end. Elastic hearts Mixed and mastered by Marvin Uniputty
