Imperialism, Power, and Identity: Experiencing the Roman ...

Despite what history has taught us about imperialism's destructive effects on colonial societies, many classicists continue to emphasize disproportionately the civilizing and assimilative nature of the Roman Empire and to hold a generally favorable view of Rome's impact on its subject peoples. This book boldly challenges this view using insights from postcolonial studies of modern empires to ...

Imperialism, Power, and Identity - De Gruyter

Imperialism, Power, and Identity boldly challenges this view using insights from postcolonial studies of modern empires to offer a more nuanced understanding of Roman imperialism. Rejecting outdated notions about Romanization, David Mattingly focuses instead on the concept of identity to reveal a Roman society made up of far-flung populations whose experience of empire varied enormously.
