democracy in those countries, we find practically no mention of the role of institutional factors in ... in Latin America, about presidentialism and parliamentarism. However, we suspect that they would not be too helpful for our present concerns because they would reflect, on the one hand, the ...

Democracy: Presidential or Parliamentary Does it Make a ...

Abstract. Starting from recent analyses that have argued that presidentialism is

Online Library

Presidentialism And

Democracy in Latin America

less favorable for building stable democracy than parliamentary systems, this article argues that the combination of a multiparty system and presidentialism is especially inimical to stable democracy. None of the world's 31 stable (defined as those that have existed for at least 25 consecutive years) democracies has this institutional configuration, and only one historical example—Chile from 1933 to 1973—did so.

Presidentialism, Multipartism, and Democracy: The ...

The Latin American agenda is replete with elections and crucial political events. This year will conclude the second stage of the Latin American electoral marathon during which, in a period of four years (2013–16), a total of 17 presidential elections will have taken place. Fourteen have already been completed.
