Ferrus Manus, (literally "Hand of Iron") the Gorgon, was one of the twenty Primarchs created by the Emperor before the Great Crusade. He led the Iron Hands Space Marine Legion . During his time on the world of Medusa Manus' hands became encased in a hard metallic substance, and he became known for his iron-resolve and disdain for weakness.

The Primarch of the Iron Hands Legion was a figure of legend amongst the peoples of his home world of Medusa, named by them ' the Gorgon ' after the most ancient of mythic creatures. Ferrus was amongst the strongest of the Primarchs, reflected in this giant figure, dwarfing many of his brother Primarchs. Ferrus Manus was blessed of a physiology remarkable even amongst the Primarchs.

Ferrus Manus, "The Gorgon of Medusa", was the Primarch of the Iron Hands Legion of Space Marines. His hands are made of iron. His name is also Latin for "Iron Hand". Real subtle, GW. He got said hands after wrestling with a silver dragon on the planet he crashed on and dipping the lizard into magma.

Ferrus Manus, primarch of the Iron Hands, died on Isstvan V at the start of the Horus Heresy during the Drop Site Massacre. He was killed by his most beloved brother and best friend, the Primarch Fulgrim , who wielded the Blade of the Laer , a daemonically-possessed weapon that corrupted his mind to Chaos and later possessed him.

There have been several instances of cloned Primarchs, the result being a mentally unstable, confused, and sometimes deformed creature. The first cloned primarch was Ferrus Manus, created by Fabius Bile at the demand of a mad Fulgrim. Fulgrim attempted to again convert Ferrus to his cause before killing him once more, a process that was repeated multiple times with new clones.

The Primarchs were the twenty genetically-engineered "sons" of the Emperor of Man. The Emperor used his own DNA in their creation, and they were designed to be gods among men; immortal giants with superhuman physique and intelligence, towering above the Space Marines as they do over mortal men.

Fulgrim presented Ferrus Manus' head to Horus during the Heresy and (during 5th Edition) it was implied that Trazyn the Infinite has a primarch in stasis as part of his collection (it wasn't). Beware the Nice Ones: Sanguinius was perhaps the noblest of the Primarchs, firmly believing that humanity should be ruled by its hopes and dreams.
