Our Research Methodology | Human Rights Watch

Methods of Human Rights Research. In human rights research little attention tends to be devoted to questions of methodology. This book fills this gap. It identifies criteria to qualify a piece of human rights research as a methodologically sound piece of work It is essential reading for any human rights scholar wishing to critically reflect on the quality of his methods of work.

Methods of Human Rights Research - Intersentia

A Basic Approach to Human Rights Research. Since the 1960s and the origins of the modern human rights movement, human rights organizations have produced their own research. In-depth and well-documented reports, replete with testimonial evidence and analysis of government policy and practice, are the stock-in-trade product of human rights organizations.
