Timus and his family are trapped within the structural violence caused by the government and the church at the time.

Roepman (2011) - IMDb I found that even though it was a translation of the original Roepman it was a compelling read. Still I noted that some of the important aspects of the book that only were apparent in Afrikaans were missing. So I would suggest to read the original if it is possible or later watch the movie Roepman, which captures the essence of the book well.
