How the first world war  
changed women's fashion |  
Fashion ...

The role of women in  
securing victory cannot be  
underestimated; indeed, one  
of the reasons that Germany  
lost the war in 1918 was  
that she never succeeded in  
fully mobilising her female  
population. Although women  
had worked in some  
industries for many years,  
the First World War brought  
women into the workplace on  
a scale never before  
witnessed.

Women at War in World War  
One - Historic UK

Women also became a representation of the nation: Britain and France had characters known as Britannia and Marianne, respectively, tall, beautiful, and strong goddesses as political shorthand for the countries now at war. Women in the Armed Forces and the Front Line Few women served on the front lines fighting, but there were exceptions.

The Master List of  
Historical Women in Combat  
Society in The Study Of The  
Hebrew Bible

On a regular basis, readers  
will write in saying their  
family, friends, or  
colleagues are convinced  
women aren't fit for combat.  
Which drives me fucking  
insane, because women have  
been doing this for  
literally all of recorded  
history.
