you realize well-known "Star Wars" artist Iain McCaig is having too much fun. That's because McCaig, who worked on the first three movies of the "Star Wars" saga as a conceptual artist as well as " Harry Potter and the Goblet of Fire ," treats his first book as a romp through his imagination rather than a traditional "art of" book.

Mccaig

This is reflected in his art,  
is concept designs and  
his stories. He does more  
than blur the line  
between real and  
otherwise - he makes you  
forget that one even  
exists. Shadowline is very  
simply Iain McCaig  
doing what he does in
