Read Book Understanding Social Networks Theories Concepts And Findings Charles

Understanding Social Networks fills that gap by explaining the big ideas that underlie the social network phenomenon.

Written for those interested in this Despite the swift spread of social network concepts and their applications and the rising use of network analysis in social science, there is no book that provides a thorough general introduction for the serious reader.

Understanding Social Networks: Theories, Concepts, and ... Kadushin's Understanding Social Networks: Theories, Concepts, and Findings is probably the most enjoyable book on social networks I've read and has been particularly helpful in identifying particular applications of network science in the social sciences.
